We would appreciate having a statement about your philosophy and work as an artist—either general or something specific about the piece(s) selected for this year's May Show to aid us in the preparation of gallery talks and in the release of publicity materials. For more space, use the back of this sheet.

Long standing interest & study of B/W infrared photography, &
processing. Infrared once mastered allows ones vision to stretch
beyond the visible light spectrum & produce images of incredible luminosity
in a "different" world.
